

Student of the Month *

Student Vincent Wayne Reynolds is student of the month for January, of Top Of Texas. Vincent says he chooses to come to TTAEC "because it's a good environment and really great teachers." His Favorite teacher is "Mrs. McCoy because she is very understanding and really wants her students to learn and graduate, she is also very funny and like helping everyone." After Vincent graduates, he plans on enlisting in the Army in the Infantry Unit; on of his lifelong goals is serving his country. In his spare time he likes playing video games, and listening to music. What he likes most about TTAEC is "the great working environment and all of the help I get from everybody."

Student of the month *

Student Brissa Cardenas is student of the month for January at Top of Texas. She says she chooses to come to TTAEC "because I can finish faster and get more help to pass my TAKS test." Her favorite teacher is "Mrs. McCoy because she is a really fun and silly teacher." After Brissa graduates she plans to go to college for cosmetology. In her spare time she loves taking care of her new baby girl and being with her family. Brissa says she likes coming to TTAEC because " I get more help on studying for my TAKS and more one-on-one help."

Student of the month *

Student Ramiro Barron is student of the month for December at Top of Texas. He chose to join TTAEC because "he wanted to graduate faster and herd that it was a fun place to be." After he graduates he plans to go to college and become an artist. When asked "Who is your favorite teacher?" his answer was. "everyone, I can't choose they all are fun to be with and treat me equally to everyone else out here." In his spare time he like s to spend time with his new baby girl and eat. When asked," What is your favorite thing about coming to TTAEC he replied, "I can get all the work done that I know how to do by myself, I don't have to have the teachers teach me because I already know it. I also like how everyone out here gets along with everybody.
