1. List below the course title as well as the four-digit number of the courses you have circled on the opposite page.
2. You **must** also list two alternate choices.
3. If a course has an * beside the title, there are prerequisites or special conditions that you must have met or be aware of before enrolling in this course. You may need previous course work. If the class requires previous course work, you must have successfully completed the specified course before enrolling in this class. If you enroll in a class and do not meet the prerequisites, we will automatically place you in the correct class. Prerequisites are listed in your course catalog.
4. Your **pre-enrollment is final** once it is turned in to the office. **No schedule changes will be allowed - no exceptions!** Please seriously consider your graduation requirements and your elective and alternate choices before completing your pre-enrollment form. **You will be required to adhere to your selections as they are printed below.**

Please PRINT all information LEGIBLY.
